ORCHARD AREA IS GROWING STEADILY

MANY THOUSAND DECIDUOUS TREES WILL BE PLANTED THIS FALL IN MENDOCINO COUNTY—HORTICULTURAL COMMISSIONER VAN DYKE ADVISES SPRAYING THOROUGHLY—NOW.

Horticultural Commissioner Van Dyke is urging the orchardists of Mendocino County to thoroughly spray their deciduous trees in the fall in order to secure immunity from the pests that affect the quality of the fruit and endanger the growth of the tree. He declares that careful and systematic use of the spray pump (with power if possible), will do much to improve the quality and quantity of our fruit. This applies to apples, pears, prunes and peaches. Pears and apples require other spraying in the spring, one just as the bud clusters are swelling and another as the codlin moth is ready to lay the egg that causes the worm that wrecks the apple growers' hopes.

"This is the most important time of the year to spray and it is more necessary to spray in the dormant season than at any other time," he declares, "owing to the fact that we usually have a long time of clear weather before the rains come to wash off the mixture. Most prune growers are using crude oil and the apple orchardists use lime and sulphur. Most of the fruit men have hand pumps but power machines are more efficacious and some ought to install gasoline engines. The great drawback in spraying is that the work is not done thoroughly. It is a great effort to work the hand power pump and gasoline is cheaper than elbow grease. There will be a big increase in acreage this year and Mendocino County is going to take a leading position among the fruit growing sections of the state."

Commissioner Van Dyke briefly outlined the additional area of the County planted last year to deciduous trees as follows: 110 acres of apples, or 9,590 trees; 400 acres of pears, or 42,970 trees; 150 acres of prunes, or 14,930 trees; 35 acres to peaches, or 2,902 trees; 10 acres to cherries, or 659 trees and 30 acres of walnuts, or 1,462 trees; 40 acres of plums, or 3,577 trees. In addition there were imported 8,279 berry plants, mostly strawberries and blackberries, and 324 ornamental trees. The total of new deciduous trees was 76,414.

This is the beginning of the shipping season for nursery stock and thousands of trees, shrubs and plants will be brought here and the inspector has to watch for infected shipments. He has to watch for bacterium tumefaciens, or crown gall, which infects pitted fruits mostly. Pernicious scale can be eradicated by dipping the shipments infested. Only 500 trees were destroyed last season.

FUNERAL SERVICES OF MRS. DAISY HOWELL

The funeral services of the late Daisy Dean Howell were held Thursday afternoon from the Hutchison undertaking parlors and Rev. P. T. Lynn, pastor of the M. E. Church, was the officiating clergyman. She passed away Wednesday morning after a long illness, aged 42 years, and was the daughter of Benjamin Fish. Interment was in the family plot in Masonic Cemetery, beside the grave of her late husband who died about a year ago.

A MOST ENJOYABLE TIME LAST SATURDAY EVENING

Delighful was a mild adjective to apply to the society event last Saturday evening at Cleland's Hall, La Premiere Dansant, and the decorations had a distinct Halloween flavor, pumpkins predominating as the dance orders were dainty imitations of that popular harvest fruit. Autumnal foliage lent its brilliancy to the hall, but jack 'o lanterns and other goblinesque objects formed the principal adornments. Misses Agnes Cunningham, Helen Aldrich, Eva Place, Hazel and Vera La Porte were the young ladies who gave the dance and the artists who trimmed the hall. Recherche refreshments were served in a dainty and striking kiosk. The following ladies acted as patronesses: Mesdames T. J. Weldon, Robert Duncan, L. M. Hildreth and F. T. Barker.

BANK STATEMENTS ARE ENCOURAGING

The statements of the Savings Bank of Mendocino County at Ukiah and of the Bank of Hopland in the southern city, as published in these columns, show that this city and Hopland are as flourishing as other substantial communities of the same size. These two financial institutions are among the solid banks of the State and their directors are composed of careful, conservative and conscientious men. The reports show that the finances of the two cities are in a reasonably prosperous condition as compared with the rest of the country.

ROBINSON BRIDGE NOW OPEN

The Robinson Creek bridge was opened for traffic yesterday and a banquet was given last evening at the Palace Hotel by Contractor B. M. Price to signalize the event. A dozen close friends were his guests and the occasion was one of jolification. The weather clerk was thanked for having held off the rains.

SAN FRANCISCO DAY WILL ATTRACT MANY

Next Tuesday will be San Francisco Day at the Exposition and a $4.00 rate will prevail for excursion tickets from Ukiah. There will be brilliant pageants and parades of nations and states, aeroplane flights, harness races, life-saving exhibits, boat drills, day and night band concerts. Other sights in profusion will be provided with a realistic battle between army and navy for the warlike, exposition chorus of 300 voices and the musical carnival of dancing in Court of Universe for the devotees of Terpsichore. Tickets will be good returning until November 8th.

GREAT FAREWELL TO PASTOR JONES

SOUTH METHODIST CHURCH CROWDED TO UTMOST CAPACITY WHEN BELOVED MINISTER PREACHES FINAL SERMON—TWO YEARS OF USEFULNESS IN UKIAH.

The Methodist Episcopal Church, South, was the scene of a great demonstration Sunday evening on the occasion of the farewell sermon of Rev. L. S. Jones, for two years the energetic pastor, who has been assigned by the annual conference of that denomination to the Stockton Church. The auditorium, which was artistically decorated with flowers, was crowded to the doors and it was necessary for the courteous ushers to provide chairs in the aisles to accomodate the throng that was present to wish "God speed" to the eloquent clergyman.

Rev. J. E. Berg, minister of the Christian Church, made the invocation. The chorus choir of twenty voices was supplemented by a quartet composed of J. R. Thomas, Dr. Roberd Thomas, Miss Kate Thomas and Mrs. Roy Lynch. Mrs. Lynch is chorister and Mrs. Robert Thomas presided at the organ. A special musical program added greatly to the service.

Pastor Jones tok the text of his farewell sermon from the farewell letter of the Apostle Paul to the Corinthians and urged upon his hearers Christian perfection. He argued that as we approach nearer perfection in the arts and crafts, in plant life and the animal kingdom, it is possible to attain perfection in human nature. The speaker expressed his appreciation of the church unity found in Ukiah where five local denominations were represented upon the same platform and spoke of the pleasant relations he had enjoyed with his ministerial brethern. He regretted his departure from his present charge on account of the severing of many delightful acquaintances and assured his parishioners that he would ever bear them in affectionate remembrance.

Rev. D. Catchpole, pastor of the Baptist Church offered prayer and Rev. P. T. Lynn, as president of the Ukiah Ministerial Union, made a felicitous address in which he commended Brother Jones to the good people of Stockton and voiced the regret of his associates that the pastor should be transferred. The benediction was pronounced by Rev. Mr. Baker of Point Arena who has been supplying the pulpit of the Presbyterian Church.

WHOLE STATE REJECTS JOHNSON MEASURES

ONLY FOUR COUNTIES GIVE AFFIRMATIVE VOTES — NON-PARTISANSHIP SCUTTLED BY MAJORITY OF RISING 30,000—MENDOCINO TURNS 'EM DOWN TO TUNE OF THOUSAND OR SO.

The total vote on the eleven amendments from 53 precincts out of 69 precincts in Mendocino county is as follows:

	For	Against
1.—Direct Primary	519	1444
2.—Form of Ballot	480	1423
3.—Terms of Judges	194	1702
4.—Terms Judges Filling Vacancies	645	1251
5.—Rural Credits	653	1257
6.—Deposit Public Moneys	406	1457
7.—Initiative and Referendum	696	1170
8.—Condemnation in Excess of Need	377	1480
9.—Taxation	187	1672
10.—Exempting Property from Taxation	462	1474
11.—County Charters	335	1516

The total vote cast in the 53 precincts from which returns have been received at the County Clerk's office amounted to 2005, leaving 16 precincts yet to be heard from, while the total registration of the county is about 10,750.

Little interest was manifested in the special election last Tuesday and less than one-fourth of the vote came out. In Scott's Valley only the election board voted and this is one of the few precincts to give a progressive majority. Amendments Nos. 1 and 2 were given unanimous vote and it is suggested that perhaps the election officers played seven-up as to which way they should vote. Little Lake, No. 4, Tunnel and Irmulco also approved the pet Johnson measures. Nearly every precinct in Mendocino county rejected the so-called administration measures by decisive majorities, showing a return to reasonable Republicanism of the good old-fashioned kind, without Progressive trimmings.

Hot Springs, Pudding Creek and Pine Mountain voted solidly against the first and second amendments. The majority against the first two propositions will be nearly 1,500 in the county, with possibly the rejection of the taxation amendment by two thousand votes. For a special election, with very little interest being taken, this may be considered as rather a decided defeat for the Johnson forces in the county. The fact that the women voters did not turn out is suggested as indicating that the fair sex has lost interest in politics, or at any rate in Progressivism. Progressive Republicanism is what the people seem to desire in this section of the State and apparently most of California seems to agree with this pious notion.

Majorities in opposition to all the administration's measures as proposed in the eleven amendments seem to progress as the later returns come in, and the direct primary bill has been turned down by a negative majority that will exceed 35,000, while the form of ballot measure was vetoed by the votes of the people by a slightly larger majority. Only four counties in the State have endorsed the proposition—Sacramento, Santa Clara, Stanislaus and Fresno, while the Capital City was most pronounced in favor of the changes.

The closest votes came on the term of judges appointed to fill vacancies, the rural credits and the initiative and referendum measures. The others were beaten by majorities ranging from 5,000 to 50,000. It is said in Sacramento that Governor Johnson will pass the buck of the election tangle to the courts and not call a special session of the legislature.

ATTORNEY HENLEY MARRIED

Edward V. Henley, for some years an attorney of this city, was the blushing groom last Saturday when he led to the altar Mrs. Bessie Reed of Mayfield. Mr. and Mrs. Henley returned yesterday from a wedding trip through the bay cities and were warmly greeted by their many friends. They will remain here for some time and may later go to San Jose to reside.

HIGH SCHOOL FUNDS IN SUPERIOR COURT

MENDOCINO TRUSTEES CONTEND THAT THEY ARE ENTITLED TO THE LARGER SHARE OF MONEY CREDITED TO COUNTY HIGH SCHOOLS—EQUITIES OF SITUATION.

There was argued before Judge J. Q. White in the Superior Court Wednesday morning the question of the apportionment of high school funds as required by the enactment of a new law by the last legislature which provides that county high schools shall be reorganized as union high schools. The county school superintendent was represented by District Attorney Hale McCowen, Jr., and the trustees of the Mendocino union high school were represented by Attorney Robert Duncan. The new law provides that all funds now standing to the credit of the two county high schools shall be re-apportioned to the union districts. One-third of the money is to go to the schools irrespective of the average attendance and the remaining two-thirds shall be divided according to the daily attendance.

The Ukiah high has approximately five thousand dollars to its credit and the Mendocino high has a credit balance of about $9,000. Mrs. Porterfield is puzzled at the equitable way to apportion the funds and has asked a court interpretation of the new law, hence the friendly suit. The Mendocino trustees naturally desire to secure as much money as possible and a statement was submitted to Judge White as to the equities of the situation. His Honor took the matter under advisement.

MANY AUTO PARTIES GOING TO APPLE SHOW

A merry automobile party started this morning for the coast towns and apple show in Frank Sandelin's big Haynes car with Mine Host at the wheel and he gave positive assurances that he would land the travelers at their destination safe and sound and on schedule time. The party will journey first to Point Arena and inspect the scenery and then wend their way northward to Mendocino, to take in the beauties of the apple show. The motorists are: Frank Sandelin, Bob McKinley, Wong Lung, chief cook at the Palace Hotel; Messrs. Eiseman, Jack Perazzo and Clair Smith.

Another auto party was composed of Volney Van Dyke and Dr. Cleland in the latter's car and the apple show is the magnet that attracts them coastwards. It is also reported that several others are contemplating making the trip either today or tomorrow. Nearly everybody in Ukiah likes apples nowadays—even the editor.

OLD TIMER PASSES AWAY IN OAKLAND

Undertaker R. L. Hutchison yesterday received a telegram from Oakland notifying him of the death that morning of Will Partridge, an old resident of the Anderson Valley section, who had been in the railroad service for many years. The body will be brought here on this evening's train and Funeral Director Hutchison will convey it to the Boonville Cemetery for interment in the family plot in which repose the remains of Grandma Kendall. The late Mr. Partridge was about the only member left of his immediate family and he was well known to old residents of the Anderson Valley section.

RAINFALL IS TWO INCHES LESS THAN LAST YEAR

Dr. McCowen reports that the recent rain totaled .37 inch, all that has fallen this season. Last season at this time we had 2.36 inches. The maximum temperature was 80 degrees yesterday and the minimum was 35 degrees ast Sunday. The latter might be an excuse why some of us did not go to church Sunday morning.

MEDICOS MEET AT MENDOCINO

A meeting of the Mendocino County Medical Society will be held this evening at Mendocino and Dr. H. O. Cleland will read a paper to that body. The medicos of the county will be well represented at this meeting.

SUPERVISORS WILL MEET ON SUNDAY

The board of supervisors will assemble in Ukiah Sunday and canvas the election returns and attend to their regular duties and by holding a night session Sunday, hope to conclude their labors Monday. It is their intentions to conclude the business Monday when they will take the southbound train for San Francisco where other boards of supervisors from many counties will assemble for the purpose of taking action on a proposition to preserve the the county exhibits of the California Building at the Fair. The fair commissioners will also meet with the supervisors. It is not known what steps will be taken, but it is said that the Mendocino county officials will not care to expend a large sum in pay rolls, while there is a willingness to maintain the exhibits in as good condition as at present. As Tuesday is a holiday, the board could not legally meet and they may have to wind up some matters the latter part of the week.

FILES PETITION IN BANKRUPTCY

John A. Yakel, formerly at various times a resident of this vicinity, but now hailing from Santa Cruz, has filed a petition in bankruptcy, alleging that he is indebted in the sum of about $8000 and that he is absolutely without assets. While here, Yakel posed as a man of considerable wealth and spent money lavishly. He had no trouble in securing credit and it is said that he owes some thousands to local people. Originally he came from Baltimore, where his people have position and wealth. C. M. Mannon attended the first meeting of creditors at Santa Cruz as attorney for the local creditors.

DANCE ENJOYED AT WENDLING SCHOOL

BOONVILLE AND PHILO PEOPLE TURN OUT TO SWELL PIANO FUND—BASEBALL DANCE LAST SATURDAY ATTRACTS WENDLING YOUNG FOLKS—YORKVILLE ON THE MAP.

YORKVILLE, Oct. 26.—On October 16th a goodly crowd from Boonville and Philo answered the invitation to attend the school dance in Wendling, given by the very popular teacher, Miss Wood.

The Wendling school purchased a new piano several months ago and have been making payments upon it in this way. Everyone enjoys a nice dance, especially when it is to help the school kiddies develop their musical tastes. So the baseball boys of Boonville postponed their dance which was to be given on the 16th, to go down and help advance the piano fund.

Twenty-two persons installed themselves "somewhere" on the Stanley Steamer auto and made the evening air vibrant with popular songs and gay laughter, as they wended their way toward Wendling, where they soon mingled with the crowd of other pleasure seekers, and immensely enjoyed the occasion.

On October 23rd the baseball benefit dance was given at the Fred Rawles pavilion. Four auto loads of Wendling people came up to "trip the light fantastic," and return the visit they had received from Boonville the Saturday night before. The boys made the very best of hosts to the large crowd who were their guests for the evening.

The hall was very prettily decorated with autumn and grape leaves. Gleason's three piece orchestra furnished excellent music, the perfect time and catchy emphasis of which made it impossible for anyone to "sit out" a dance. Each number was heartily and persistently encored several times.

By twelve o'clock everyone was hungry and did ample justice to a delicious chicken supper. There was fried chicken and chicken fricassed; cakes of all sizes, kinds and color; salads, pickles, sandwiches and good aromatic coffee, the kind which makes one pass one's cup again and say, "if you please" The tables looked pretty, too, adorned with autumn leaves, and bright red roses.

After each man, woman and child had been well fed, a social half hour was spent before the dancing was resumed. Not until four a. m. did the reluctant crowd seem inclined to depart homeward. Then with many a hand shake and pleasantry exchanged, the "good byes" were said.

The affair was a success financially and socially and everyone who attended hope it will not be too long before Mr. and Mrs. Fred Rwales will give another jolly dance in honor of the baseball team.

IOWA MAN DIES FAR AWAY FROM HOME

Death claimed W. A. Hixson, 40 years old, whose home was in Atlantic, Iowa, at a local hospital yesterday forenoon, following an operation for appendicitis, but as the patient was suffering from lockjaw, his chances of surviving were slim. He was brought here from Hopland. The body was taken to the Hutchison undertaking parlors where it will be embalmed preparatory to shipping it back to his former home in Iowa.

BLACKSMITH BREAKS INTO THE CITY JAIL

Blacksmith J. A. Montgomery is peaceably inclined, but this week he broke into the city jail by dint of much hammering with the aid of a cold chisel. If he had been making a felonious attempt, he would have made noise enough to arouse the whole town, but as it was a peaceable breaking, only two small boys witnessed the jail-breaking. He had to cut a hole, 15 inches in diameter in the top of each of the three cells, in order to allow an electric light for each steel compartment, also ventilation, sometimes much needed, for the occupants. The steel was 5-8 of an inch thick and each hole is covered by steel grating. The change was recommended by the State Inspector of the Bureau of Charities and Correction.

REV. WOODS HIKES TO UKIAH AND BACK

Not boastfully, but with a certain degree of pride, Rev. Woods tells of a hike he made last Tuesday a week ago when he struck out by the way of Eight-Mile Valley for Ukiah on foot, making the distance which he estimates as 25 miles, in ten hours over a very bad mountain road. Mr. Woods then repeated the feat on Wednesday, making the return trip. As he is quite an elderly gentleman this walk is very much to his credit. He says that he did it for his health, and that he is accustomed to taking long walks every day. Lakeport Bee.

MENDOCINO WINES IN THE FRONT RANK

COUNTY FEATURES HER DAIRY INDUSTRY AT THE EXPOSITION —NATURAL GREEN PASTURES AID MATERIALLY.

San Francisco, October 28. The wines of Mendocino County are at present being displayed in the section devoted to that county in the California Building at the P. P. I. E. The great plain glass case contains a great number of varieties of sweet and dry wine, all bottled and artistically labeled and sealed.

Mendocino County, while not having the great grape acreage of other counties has proven that she is well able to produce a first-class grade of wine and table grapes. These are grown in the valleys and foothills of the district. The grape acreage is annually increasing and there is still a large undeveloped area suitable to the cultivation of grapes.

The county is also featuring her dairy industry which bids fair to become one of the main industries of the county. Alfalfa is raised to some extent and the natural green pastures of the county materially aid the dairyman in the feeding of his herds. These herds are usually pure blooded stock and great producers of milk.

SING A SONG OF HOLIDAYS

OF THE MAKING OF HOLIDAYS THERE IS NO END — EVERY OTHER DAY A JOY DAY BYE AND BYE.

Governor Hiram Johnson is the great holiday maker and has made a record in this line, adding four more joy days than California has ever enjoyed before. He had the honor of proclaiming Lincoln Day and Discovery Day for the first time, while next Tuesday, Nov. 2nd, is to be commemorated as San Francisco Day to the confusion of county affairs and banking business. The thoughtful people of the county are rejoicing that the school authorities have not observed these uncalled for and unwelcome breaks in the work-a-day world.

1915 made a new record of 87 holidays and the official time of leisure when state, county and city employees take a much needed rest while the payroll keeps growing, progressed prodigiously. If other lines of business could follow the same leisurely course and deal as generously with employees, we would not feel quite so bad; admitting that it is rank, green jealousy that causes these non progressive and ultra-partisan feelings is there any business sense in the multiplicity of holidays and is the number going to keep on progressing like Johnson grass?

NEW TIMETABLE SUNDAY

Patrons of the Northwestern Pacific had better keep a close watch for the change of time to the winter schedule which will be announced in a few days. Superintendent W. N. Neff states that the change will probably be made next Sunday.

The time table has not yet been completed by the railroad officials, and until that has been done there will be no positive announcement of the change. There is every likelihood that it will be made next Sunday, however, and the traveling public should keep in touch with the contemplated change.

SENIOR PLAY PROMISES TO OUT-DO ALL PREVIOUS DRAMATIC EVENTS—LAKEPORT NINE TOO MANY FOR OUR BOYS—THE CHURCHES TO ENTERTAIN STUDENTS AND FACULTY TONIGHT.

Last Saturday our baseball team journeyed over to Lakeport and was defeated by the latter team, the score being 7 to 3. Our boys showed the lack of needed practice, although they put up a game fight to overcome the three run lead which the Lakeport boys secured in the first inning. Hamby Ford was the individual star of the game by making two of our three runs and playing without making an error. Our star shortstop, Hank Davidson, was not far behind Hamby. Hank scored our first run by a brilliant steal of home, with two down and secured our first hit. The absence of Pete German and Cap't. L. Milne, who were on the disabled list, was keenly noticed by the team. The team journeyed over in a Ford and a thing called an Overland. This thing was minus a horn, lights and four cylinders, but luck being in our favor, by the ability of Hamby to drive a Ford, he succeeded in getting this thing safely over and back. The occupants of the thing said after the trip, "never again," as they do not want another trip which is so hard on the nerves.

Those who went over were Everett Cox, Hamby Ford, Albert Nickoles, Bev. Broaddus, Fuzzy Richardson, Bub Meyer, Fred Van Dyke, Hank Davidson, Elton Fuller and Lloyd Milne.

Many Seniors Have "Funny Notions."

The Senior play this year is scheduled as a big success. There are thirty in the graduating class and nearly all of its members will have a part in the play. A large cast always makes a play very interesting, so it is expected that this "funny notion" will meet with the largest audience that the Victory has ever held. Each member of the cast is laboring with his lines, keeping in view the time when he will "strut and fret his hour upon the stage and then be heard no more."

P. J. Conway and family motored to Willits Sunday, over the new state highway. They report a most enjoyable trip, their touring car having met with no accidents or beetles.

Our next song service will be held this afternoon. The officers of the officers of the Senior class selected the songs for the afternoon and we expect quite a lively, as well as beneficial afternoon.

This game will be played with our old rival, Willits.

A playlet will be introduced in our "baby Chautauqua" at this time and prove interesting to the audience. Margaret Van Dyke will render a much appreciated vocal solo, C. York will blow forth a volley of heart rendering jokes and the vocal class will render two numbers.

The Junior class meeting was held Wednesday night and the arrival of class pins caused a thrill of excitement. The jewelry is very appropriate and the proud and happy wearers are being congratulated on the nobby appearance of their class pins.

HUNDRED GUESTS AT GIBSON HOME

MISSIONARY COUNCIL OF ALL NATIONS—CONDITION OF THE WOMEN IN HEATHEN LANDS CONTRASTED WITH THAT IN CHRISTIAN COUNTRIES — ELABORATE MUSICAL PROGRAM.

The home of Mrs. E. B. Gibson was last Thursday evening the scene of one of the most successful in the series of missionary meetings, which the ladies of the M. E. Church, South, have been holding this year. The gathering took place in the evening instead of the afternoon that the men of the congregation might have the pleasure of attending and many of them took advantage of the opportunity. An audience of nearly a hundred almost taxed the capacity of the beautiful and commodious Gibson home.

The program was in charge of Mrs. J. G. Thomas and Mrs. J. A. Jamison, and every number was excellent. The first part consisted of a vocal solo by Miss Gertrude Lamb; "The New Era in Asia, by Mrs. W. D. L. Held; vocal solo, by Mrs. W. E. Cox; piano solo by Miss Leila Gibson. The second part was a missionary council composed of representatives of all nations in appropriate costumes. These parts were effectively filled by Mrs. Wm. Cox, as president; Mrs. Bert Hardie, American; Miss Coleman, Japanese; Mrs. Elmer Gibson, Chinese; Mrs. Ted Young, Egyptian; Miss Puett, Indian; Mrs. Nellie Cleveland, Moslem and Miss Emery, African. The council was most instructive and entertaining.

Then followed a series of tableaux contrasting conditions in Christian and heathen lands, first, childhood, then girlhood and motherhood. In these little Althea Lynch, Margaret Thomas, Lucille Lebaail, Alice Ruth and Marjorie Young, took the children's parts and Newell Rea, Hilda Banker, Irma Hutchison, Margaret Poage, Miss Wood, Bert Hardie, Roy Linser and Lilburn Gibson, all in costume, assisted the ladies of the council. During the scenes the quartette, Mrs. Lynch, Miss Kate Thomas, Mr. Jas. Thomas and Dr. Roberd Thomas rendered some beautiful and appropriate anthems and Mrs. Lynch and Miss Marguerite Thomas beautiful solos. The music so supplemented the pictures presented as to make a most harmonious whole. A more interesting and beautiful entertainment has seldom been given in Ukiah and all present were impressed with the wonderful change the gospel has wrought in the conditions of childhood and womanhood in every land into which it has come.

The program was given in the studio and at its conclusion the guests were invited downstairs where delicious chicken salad, sandwiches and coffee were served by Mrs. Jamison and her assistants, Mrs. Hopper and Mrs. Speer, and an hour of good fellowship was enjoyed by all. Many thanks are due the efficient and willing committee and Mr. and Mrs. Gibson for the use of their charming home.
